(Position may be downgraded to Planner I (EFS) for recruitment purposes)

TENURE: Permanent

TIME BASE: Full-Time

SALARY: \$4,833 - \$5,874 (Planner I Salary: \$4,400 - \$5,348)

LOCATION: Sacramento

FINAL FILING DATE: July 13, 2010

Please indicate **RPA#760-536**, **Position #760-4756-068**, and the **basis of your eligibility** (i.e., list, transfer, SROA/Surplus, reinstatement, etc.) on state application form (std. 678). **Failure to provide this information may result in your application not being considered by the hiring supervisor.** If you require confirmation that your application was received, please send certified mail/return receipt requested.

The California Energy Commission, a special funded agency, is looking for a qualified candidate for the Siting, Transmission and Environmental Protection (STEP) division- Environmental Office; Land Use, Socio-Economics, Visual and Traffic Unit to help shape California's critical energy future. The STEP division ensures that needed energy facilities are authorized in an expeditious, safe and environmentally acceptable manner. We prepare environmental documentation for the Commission as required by the California Environmental Quality Act (CEQA). To attain our objectives, the division maintains a committed and creative staff of experts in more than 20 environmental and engineering disciplines. The division's range of technical expertise allows it to perform balanced independent evaluations of complex and controversial projects. If energy is your passion, or if you feel compelled to help mold our energy infrastructure for a renewable future, then we encourage you to apply.

DUTIES/RESPONSIBILITIES: Under the general direction of the Unit Senior, the incumbent will independently perform varied, difficult and complex technical analyses for facility siting cases and planning studies in the areas of socioeconomic, environmental justice, land use, traffic and transportation and visual resources, and formulate solutions to difficult problems. The incumbent is expected to provide expert technical expertise and serve as a member of interdisciplinary teams evaluating the environmental and socioeconomic effects of proposed power plants, policies and plans for energy development in order to satisfy the requirements of the Warren-Alquist Act and the California Environmental Quality Act (CEQA). The incumbent may also act as a working team leader on complex projects or coordinate the activities of other technical specialists in the evaluation of energy projects. The duty statement is available upon request.

DESIRABLE EXPERIENCE/QUALIFICATIONS: The successful applicant should have knowledge of the California Public Resources Code pertaining to energy conservation and development, Federal, State, local government and private agencies involved in energy. The Planner II shall possess knowledge of environmental issues associated with energy production and use in California and energy facility siting, the ability to analyze complex data and to prepare and present complex and comprehensive reports and recommendations orally and in writing, and analyze situations accurately and take effective action. The Planner II shall have knowledge of mitigation techniques to prevent significant impacts, and the ability to travel and effectively participate in site visits, public workshops and hearings.

WHO MAY APPLY: Eligible candidates who are current state employees with status in the above classification or lateral transfers from an equivalent class, former state employees who can reinstate into this class or persons who are reachable on a current employment list for this classification. **APPOINTMENT IS SUBJECT TO THE PROVISIONS OF THE SROA PROCESS: SROA/SURPLUS/ REEMPLOYMENT CANDIDATES ARE ENCOURAGED TO APPLY; SURPLUS EMPLOYEES MUST ATTACH A COPY OF THEIR SURPLUS STATUS LETTER.**

INTERESTED APPLICANTS SHOULD SUBMIT A COMPLETED STANDARD STATE APPLICATION (FORM STD. 678) TO:
